2. Entering info and sources into familysearch.org/tree.
3. Reserving names and printing requests.
4. Taking their names to the temple.

To save time and avoid duplicating our efforts, here are

- A. PDF lists for temple goers - who needs which ordinances and who has them already reserved.
- B. PDF lists for searchers - information already found and where to go next.
- C. Helps list: a few hints for where-to and how-to do stuff.

Probably died young. So look for death records and grave. Are there any 'record hints' in upper right of his page?

What do 'Public Trees' in ancestry.com have for his name? Any sources for him there?
